

Cash is critical to the success of all businesses. As new businesses take on customers who require terms, cash flow challenges arise quickly. Businesses must pay vendors, cover operating expenses and meet payroll or face going out of business. Right when it is needed most, many young companies lack the tenure and collateral to qualify for bank financing! If you are experiencing this situation with your company, we can help you thrive!

## Instant Working Capital Solutions for Business

Diamond Rose Financial specializes in finding the working capital you need when cash flow is your primary challenge. Our "alternative funding" solutions will let you take on new opportunities confidently and grow your company when other traditional sources of debt and equity financing are unavailable or difficult to access.

Diamond Rose Financial offers business funding consulting and alternative funding programs which will set you on the path to growth. We work with over 250 specialized commercial funders and private investor sources to tailor the appropriate funding solutions to the needs of your business. A sampling of these programs include:
